KNOW WHERE IT COMES FROM

A tender, juicy piece of meat on the plate can be a small revelation – at TONI's, it starts with a “tough door” for our suppliers. We place the highest value on quality, animal welfare, and traceable origins. Discover here where our exquisite steaks and special cuts come from and the philosophy behind them.

MAPO TOPMEAT

From the expanses of Upper Bavaria

Animal Welfare & Craftsmanship – these elements make the difference here between “meat” and truly exceptional cuts. Plus direct contact with each farm and farmer – perfect for us!

HOLY BEEF „DRY AGED“

Regional Masterclass from Lower Bavaria

Our dry-aged beef comes from our family-owned cattle farm at Muggenthaler Hof: A meat philosophy for those who truly appreciate quality – natural, ethically raised, and regional.

US BEEF

Premium Quality from the Prairies of Nebraska

Born from the passion of US ranchers for their animals and the land comes absolute premium quality: The finest beef, coming straight from the vast prairies directly into our kitchen.
